

## UKRAINIAN REBELS TAKE KIEV, SOVIET TROOPS RETIRING

Advance of Anti-Bolshevik  
Forces Made in Conjunction  
With Polish Drive.

Warsaw, Oct. 11. (Associated Press)—Ukrainian insurgents have occupied Kiev, the Bolshevik forces that have been holding the city abandoning it, according to advices received here.

Kiev, chief city of the Ukraine, has repeatedly changed hands in the struggles of the past three years between the Bolshevik and anti-Bolshevik forces. The Poles and Ukrainians took the town last spring in their combined offensive against the Soviet forces, but the Bolsheviks recaptured it in the early stages of their counter-drive, which ultimately carried them almost to the gates of Warsaw.

In recent reports to the effect that Gen. Budenny, the famous Soviet cavalry leader, had turned against the Bolsheviks it was declared he was planning an attack on Kiev. The advance of the Ukrainians in conjunction with the latest Polish drive was known to have penetrated a considerable distance in the direction of Kiev, through columns operating from Volynia and Podolia.

## VILNA PROCLAIMS NEW GOVERNMENT

New Territory Claimed Includes  
Town of Grodno—Diet to  
Be Convened.

WARSAW, Oct. 11. (Associated Press)—The new "Central Lithuanian Government" at Vilna has proclaimed the creation of a new State, says a Lida despatch to the Narod to-day.

A series of proclamations has been issued by the so-called Government. The first proclaims the new State and promises to convene a diet in the near future. The second, addressed to the Polish Government, asks for forgiveness for the mutiny of Gen. Zelenski's troops, and gives notice of the creation of the new State, the territory of which, it is set forth, includes the town of Grodno, with the River Niemen as the dividing line from Poland.

The proclamation further asks that

the Polish troops occupying Central Lithuania be considered as an army of occupation. The Vilna Government requests that it be allowed to send a commissary to these troops.

## PRINCE OF WALES WORN BY TOUR

British Heir Appears Thin and Is  
Said to Need a Complete  
Rest.

LONDON, Oct. 12.—During the triumphal progress of the Prince of Wales through the streets upon his arrival home it was noticed that he was much thinner than on his return from Canada, and needs a complete rest. The report is prevalent that he had three breakdowns during the trip and that on the second occasion the advisability of bringing him directly home was considered as the only safe course.

But his great recuperative powers stood him in good stead.

## SEEKS LONG LOST SISTER.

Another Haven't Seen Annie John-  
son Since They Went to  
School Together.

Harry Johnson of No. 25 Oak Street,  
Hudson Falls, has asked The Evening  
World to assist in his search for his

sister, Annie, whom he has not seen  
for many years. He and his sister  
went to the St. Agnes Convent in 1903,  
but she left four years later, to live  
with an aunt in this city. In 1916 the  
boy left the convent and has since  
made many futile efforts to learn the  
whereabouts of his sister, who is  
now about twenty-eight years old.  
Harry asks any readers of The Even-  
ing World who know anything about  
her to communicate with him at once.
